Canmore Highland Games to Continue!

Canmore, AB. – February 20 – After uncertainty with financial difficulties, the Three Sisters Scottish Festival Society is pleased to announce that they will be able to present their signature summer event this year. They are deeming their “*Save the Highland Games*” fundraiser a success.

With this accomplishment, good budget control, and the help of a bridging loan of \$15,000 from the Town of Canmore, they are proudly saying that their 25th Anniversary Canmore Highland Games will take place on September 5-6, 2015.

While the push is still on to reach their goal of \$50,000, they are close enough to feel comfortable in moving forward with the planning of this year’s festival.

“We are thrilled with the support we have received thus far,” says organization president Sandy Bunch. “The support has been tremendous, from the radio stations and newspapers to the private and corporate donations of amounts small and large. We are so happy to be moving into the planning stages of our event for 2015.”

To keep the fundraising going, there are two upcoming events where one can sample the spirit of the Games:

Celtic Ceilidh (big kitchen party) - Saturday, March 21, 2015
