ATM

There are ATMs located inside the Don Garen Festival Tent at the east end of the field.

Baby Changing Tent

We have provided a tent near the portables on the north side of the park for changing your baby. Please do not drop your used diapers in the portables, use the waste bin provided.

Potable Water

Water will be on sale at our Food and Retail booths in the Don Garen Festival Tent. There are two “rehydration stations” located in the park - one just south of the front gate and one behind the Vendors row on the main track. Please refill your bottles there, and please be respectful of the equipment. These are not toys.

*Re-usable bottles are on sale at our retail booth inside the Don Garen Festival Tent.

Emergencies and First Aid

Please report any injuries or accidents to Games Ambassadors who are easily identified by their highly-visible vests.

Do not move a bodily-injured party until attended to by security or first-aid personnel. People with minor cuts and bruises can be escorted to the Security area in the large festival tent.

Help & Lost and Found

If you cannot locate your child or parent, or need to find an event, ask a volunteer wearing a security vest or a volunteer T-shirt, or visit the Security Booth located in the Don Garen Festival Tent.

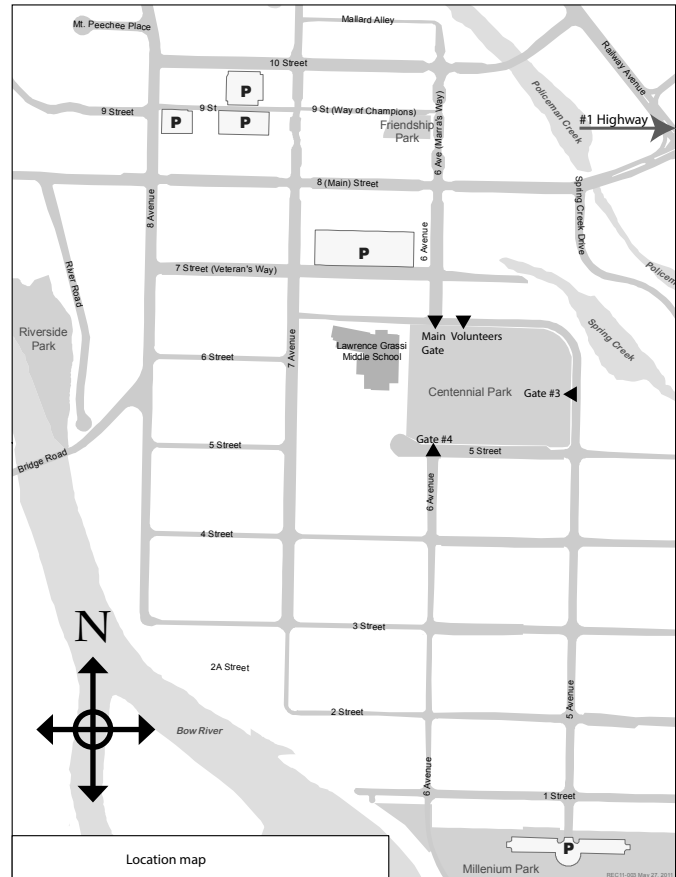

Pets and Bikes Policy

Due to the large crowds that attend the Games, pets and bikes are not permitted at the park.

Please do not tie your pet to the fence or leave it unattended in your car.

Bikes can be secured with the Community Cruisers just inside Gate #1.
